The Sustainable Development Goals are:

- Aspirational – “End all forms of poverty everywhere for everyone”.
- Integrated and Indivisible – “The SDGs are a set not a menu.”
- Universal – Apply globally to all peoples and nations: “We are all developing countries now”.

“We can be the first generation to succeed in ending poverty; just as we may be the last to have a chance at saving the planet”

Questions and Comments

Which SDGs do you Support?

Discussion

1. Do the SDGs provide any opportunities for greater collaboration nationally or internationally?

2. Do the SDGs provide any opportunities for strengthening your work with Vital Signs?

3. Could the SDGs benefit the broader goals of community foundations given that Vital Signs is one of your key leverage tools?
